

CEDAR RIVER SOCCER ASSOCIATION

2022/23 CRSA Scholarship Information:

It is the policy of the Cedar River Soccer Association (CRSA) to assist those members who need financial aid so that an individual's ability to pay dues is not the sole deterrent to play soccer. Each year funds are used to support full and partial scholarships.

Financial need must be established annually through completion of the *Financial Assistance Request Form* (available online). Applicants must provide proof of income. Financial need takes into consideration family size, unusual or extraordinary expenses and situations. The requested information is kept confidential.

Scholarships are subject to the approval of the CRSA Board. Scholarships are granted to cover annual membership fees and **does not cover cost of uniforms, tournament entry fees, league fees, travel expenses, etc.** Scholarship funds are allocated among qualified applicants and scholarships can be awarded to cover either full or partial fees.

Players who have been awarded scholarships have an expectation to participate in club and team activities, as well as conduct themselves in an appropriate manner in order to maintain *active* status. Families of scholarship players are expected to volunteer their time to club related activities and activities associated with player's team. Scholarships can be revoked for non-adherence to the above requirements and expectations.

This can change per year due to number of the scholarship requests, amount of scholarship funds, etc.
